

Master Thesis Registration Form

This form is to be used when the examiner approves a student(-s) to accomplish a MSc thesis. The student(-s) must meet the requirements stated in the programme syllabus to carry out the master thesis. In addition, students enrolled in a Master of Science in Engineering or Architecture programme (300 credits) at Chalmers must have passed 225 credits within the programme. Students enrolled in a MSc programme (120 credits) must have passed 45 credits at advanced level to begin the master thesis work. The Director of Master's Programme (-s) shall sign this document, to state that the master thesis is accepted within the enrolled master programme.

Project description should be enclosed (tick box if required)
